built, 33 partial

What it is

JonsTube (jonstube.com) is Jonathan Harchick's own home for his videos: five channels, Shorts and the Talking With Jon series in one free, ad free place to watch, with no accounts and no tracking of its own.

What's new

- **Shorts homepage:** / opens on a random Short.
- **Video grid:** now at /home.
- **JonsTube Lab:** /lab, 100 live experiments.

Lab highlights

- Advent calendar and weather reactive homepage
- Lo fi radio, TV mode and Time Machine
- Daily upload heatmap and games
- Embed widgets, open data (JSON, CSV, SQLite)
- Free read only public API at /api/v1

Also on JonsTube

Local profiles, playlists, history, player upgrades, typo friendly search, themes, an installable offline app and an Android app.
